## **Request for Confidential Treatment of FCC ID No. 2AETG-0725**

To whom it may concern:

On behalf of Malaer L.L.C., please treat the following items described below as confidential. They are attached as exhibits to the equipment authorization application for FCC ID No. 2AETG-0725. This request is made pursuant to 47 C.F.R. §0.457 and 47 C.F.R. §0.459.

Please treat the following materials contained in our application as confidential for **180 days** beginning on the date of grant of the equipment authorization for FCC ID No. 2AETG-0725:

1. User manual/guide
2. Test setup photos
3. Internal photos
4. External photos
5. Antenna photos

These materials contained in our application are proprietary information about our device that is not publicly available, and we only share this information with third parties who are committed to maintaining the confidentiality of such information. If these materials were disclosed to the public before we marketed our device it would be detrimental to our business and impair our ability to successfully launch the device.

Please treat the following confidential materials contained in our application **indefinitely**:

1. Antenna Specifications
2. Schematics
3. Block diagram
4. Operation description
5. Tune-up procedure

These material contained in our application are sensitive technical and design information

about our device that we would only share if necessary and only if confidentiality agreements were in place, even after we start marketing and selling the device. If this information was disclosed, our competitors would have an unfair commercial advantage over us by learning about our product design and development processes. This would ultimately harm us in our ability to compete in a highly competitive market.

Please let me know if you have any questions or concerns or if our request cannot be honored. Thank you in advance for your time and support of our request.

Sincerely,

A handwritten signature in cursive script, appearing to read "Heidi Harrison", is written over a horizontal line.
